CONCEPT STONE

LA COLLEZIONE CONCEPT STONE NASCE DA UN'IDEA. ISPIRATASI ALLA PREGIATA PIETRA DI VESALE, LA REINTERPRETA ATTRAVERSO UN ACCURATO LAVORO DI DESIGN CHE ARMONIZZA LE NUMEROSE TONALITÀ CROMATICHE DELLA MATERIA. UNA PERFETTA SINTESI DEL CARATTERE DI UNA DELLE PIETRE PIÙ APPREZZATA NEL CORSO DEI SECOLI. CALDA E RESISTENTE, DALLE SFUMATURE IMPREVEDIBILI ED ESPRESSIVE, NATA NEL CUORE DELL'APPENNINO EMILIANO.

The Concept Stone collection is a brainchild inspired by the precious pietra di vesale; it reinterprets it through a careful design that harmonizes the material's many hues. A perfect blending of character of one of the most popular stones over the centuries. Warm and tough, unpredictable and expressive nuances, born in the heart of the emilia apennines. • La collection concept stone est issue d'une idée. En s'inspirant de la pierre précieuse de vesale, elle y est réinterprétée par le biais d'un travail de design soigné, qui harmonise les nombreuses tonalités chromatiques de la matière. Une synthèse parfaite du caractère de l'une des pierres les plus appréciées au fil des siècles. Chaude et résistante, aux nuances imprévisibles et expressives, née au cœur de l'apennin de l'apennin émilien. • Die Serie entstand durch eine Idee. Vom Vesale-stein inspiriert, interpretiert dieses Projekt ihn über eine akkurate Designarbeit, welche die zahlreichen Farbnuancen der Materie harmonisiert. Eine perfekte Synthese des Charakters dieses im Verlauf der Jahrhunderte am meisten geschätzten Natursteines. Warm und beständig, mit unvorhersehbaren und ausdrucksvollen Nuancen, die im Herzen der Emilianischen Apenninen entstanden sind. • La colección concept stone nace de una idea. Inspirándose en la preciosa piedra de vesale, la reinterpreta mediante un cuidadoso trabajo de diseño que armoniza las numerosas tonalidades cromáticas de la materia. Una síntesis perfecta del carácter de una de las piedras más apreciadas a lo largo de los siglos. Cálida y resistente, con matices imprevisibles y expresivos, nacida en el corazón del apenino emiliano. • На создание коллекции concept stone натолкнула одна идея. Вдохновленная высококачественным камнем везале, она несет в себе его новое видение, воплощенное через тщательно продуманный дизайн, гармонизирующий многочисленные цветовые оттенки материала. Идеальное выражение характера камня, который многие века является одним из самых используемых. Теплый и прочный, самых неожиданных и выразительных оттенков, он рождается в сердце эмильянских апеннин. • 样品Concept Stone源于一种理念。其灵感来自珍贵的Vesale宝石，通过材料精细的设计，协调众多色彩重新诠释了它。数百年来其特点完美的结合是更受人欣赏的宝石之一。有着意想不到的颜色变幻和丰富内涵，炽热鲜活并不褪色，诞生在艾米利亚亚平宁山脉的中心。
