Questa pietra è utilizzata da secoli sia per il rivestimento murale dei nobili castelli francesi che per la loro pavimentazione, e proprio dalla pavimentazione di un castello nella valle della Loira è stata recuperata la particolare pietra a cui si ispira "Stone Concept", rendendo il design di questa serie assolutamente esclusivo ed irripetibile.

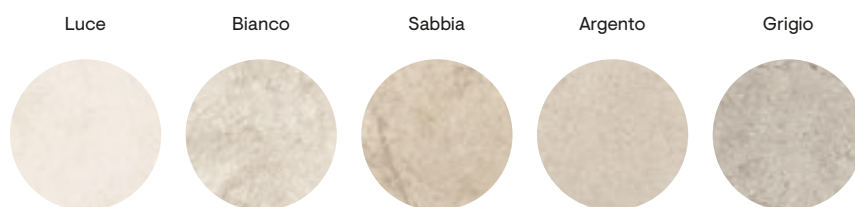

It has been used for centuries both for the wall coverings of noble French castles and for their paving, and it is from the paving of a castle in the Loire Valley that the particular stone which inspired "Stone Concept" was recovered, making the design of this series absolutely exclusive and unrepeatable.

Dieser Stein wird seit Jahrhunderten als Wand- und Bodenbelag in französischen Schlössern verwendet, und aus dem Bodenbelag eines Schlosses im Loire-Tal stammt jener besondere Stein, an dem sich "Stone Concept" inspiriert. Das macht das Design dieser Serie so einzigartig und unnachahmlich.

Cette pierre est utilisée depuis des siècles pour habiller les murs et les sols des splendides châteaux français, et c'est précisément dans un château de La Loire, sur son sol pour l'exactitude, qu'a été récupérée la pierre spéciale dont s'inspire « Stone Concept », une collection flanquée d'un style absolument exclusif et unique.
